### Sleek, Unbranded Housing

All GPO Display Commercial LCD monitors feature clean, unbranded black metal housing. Customized housing (front bezel/rear cover) is also available. Custom colors, logos and other designs are possible and allow you to match the interior design of a particular room or to match university or corporate colors.

### Ideal for Secure Applications

All GPO Display Commercial LCD monitors feature no Near-Field Communications, WiFi, or network connectivity of any kind. Only the minimum non-volatile memory required to operate an LCD is included. This makes this series of displays ideal for applications in secure environments.

- ✓ Commercial-grade 4K LED-LCD Panel
- ✓ Tempered Glass (Optional)
- ✓ Clean metal (EGI) bezel (unbranded- custom logos available upon request)
- ✓ Anti-Glare (AG) Protective Glass (Optional)
