

# ***H-Mount Series***

## ***Video Wall Mounts***

### ***Virtually Automatic Alignment***

H-Mounts unique channel system provides access to individual displays without dismounting neighboring displays. This system's restricted range of motion helps to prevent damage to displays during installation and service. This innovative design also ensures long-term alignment and eliminates display "drift", as there are no internal moving parts.

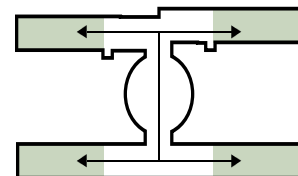

# Highlights

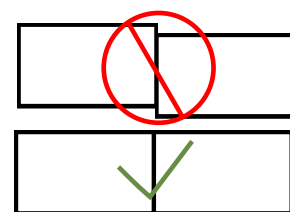

Side covers/ trim included.

Service channels for access to individual displays without dismounting.

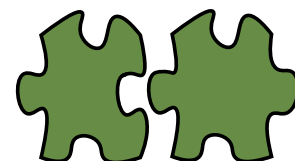

Superior maintenance of alignment.

Decreased risk of damage during installation.

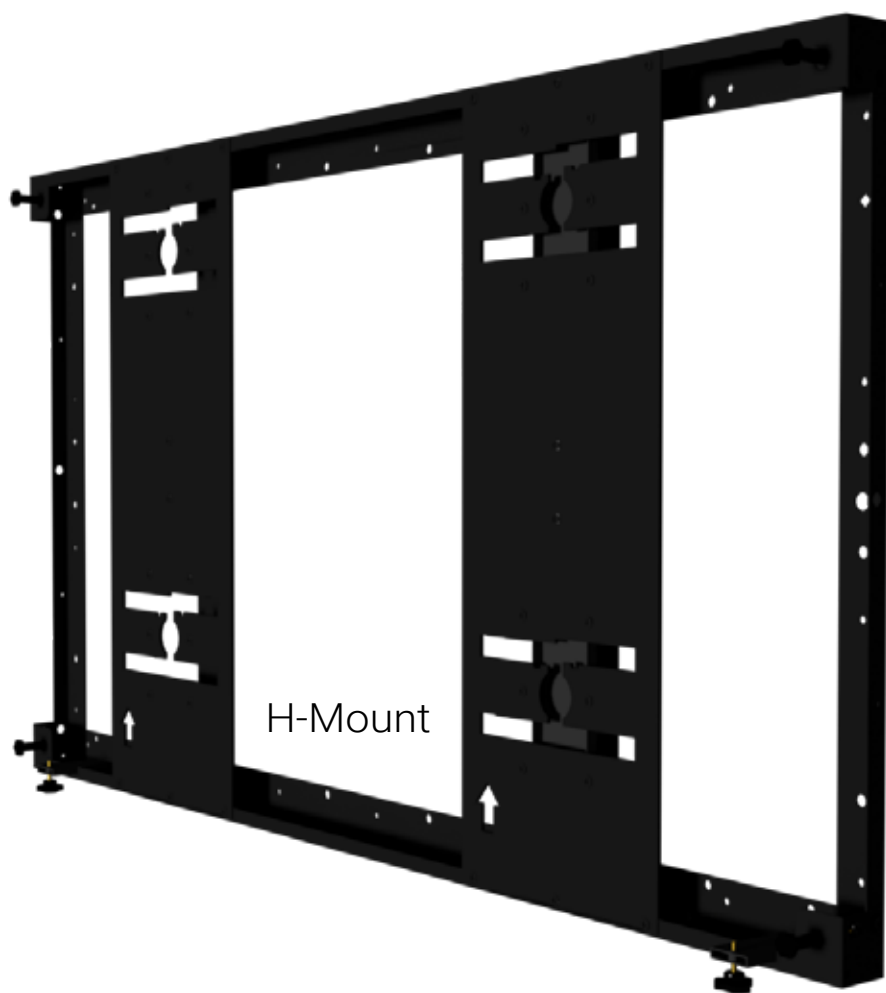

Quick & easy installation and reduced labor cost
