

Floor Stand

For Video Walls

The Free-Standing Solution

Sometimes, structural walls aren't capable of supporting video wall displays. In these cases, GPO Display Video Wall Floor Stands are the perfect solution.

Floor Stands can be custom-built for specific heights and custom colors, logos and wraps are optional. Locking rear doors may also be added, lending a clean, finished appearance to the video wall structure.

Highlights

Optional locking rear doors.

Features risers for stability and alignment adjustment.

Floor stands can be used to create walls of infinite length.
They are built-to-order in heights ranging from 8-40in.
