4K/Ultra HD Commercial Display DK-Series Lineup

GPO Display's 4K/Ultra HD commercial monitors deliver four times the resolution of Full HD for unparalleled clarity. With screen sizes ranging from 32"–98", there's an option for almost any application. All models are 24/7 rated, TAA-compliant, and secure-ready (no RF/NFC, WiFi, Bluetooth, or embedded computing).

All GPO Display Commercial LCD monitors feature clean, unbranded black metal housing. Customized housing (front bezel/rear cover) is also available. Custom colors, logos, and other designs are available, allowing users to match the interior design of a particular room or to match university or corporate colors.
